

HAPPY STOUTSGIVING 2023!

DRAFT & BOTTLES

Bourbon Barrel Aged Aqueduct Imperial Stout 2023. Erie Canal Aqueducts were designed to carry canal towpaths over adjacent rivers and roads. This updated version of our imperial stout features more sweetness, body, and complexity than our original Towpath imperial stout. Aqueduct was aged in Heaven Hill bourbon barrels just long enough to marry roast and chocolate flavors from the base beer with vanilla and toasted flavors from the bourbon barrels. 10.5% ABV.

Sample \$2 / 5oz. \$6 / 9oz. \$9 / add to a flight surcharge \$3.50* / 500 mL bottle \$14

Aqueduct Rare 2023. This Rare version of Aqueduct was aged in a single 15-year 1792 bourbon barrel for a year before bottling by hand. The result provides an even stronger bourbon and oak finish to this stout. 10.5% ABV.

Sample \$2 / 5oz. \$6.50 / 9oz. \$10 / add to a flight surcharge \$3.50* / 500 mL bottle \$16

Aqueduct Double Barrel 2023. This Double-Barreled version of Aqueduct was aged first in a Hartman's Distilling bourbon barrel from Buffalo, NY before being transferred to a barrel previously holding maple syrup. We then blended the finished beer with maple syrup. The result adds additional sweetness and complexity to our rich and roasty stout. 10.5% ABV.

Sample \$2 / 5oz. \$6.50 / 9oz. \$10 / add to a flight surcharge \$3.50* / 500 mL bottle \$16

Aqueduct Rum 2023. This version of our imperial stout was aged in a rum barrel to add a caramelized sugar finish to our rich and roasty stout. 10.5% ABV.

Sample \$2 / 5oz. \$6.50 / 9oz. \$10 / add to a flight surcharge \$3.50* / 500 mL bottle \$16

The Tower 2023. Not a stout: still awesome. We brew The Tower to celebrate the coming of the new year. This beer was aged in a Wild Turkey Rye Whiskey barrel as we hoped the subtle rye spice would complement the toffee and honey character of the base beer. 11.4% ABV.

Sample \$2 / 5oz. \$6.50 / 9oz. \$10 / add to a flight surcharge \$3.50* / 500 mL bottle \$16
